LAND USE PERMIT APPLICATION REVIEW PROCESS

This form provides for the simultaneous review of multiple proposed land use actions. Project review will be through an integrated and consolidated format as follows:

1. Pre-Application Meeting

The applicant(s) will meet with the Planning Director to review the proposed development/request. Applicable information will be discussed in relation to the proposal. The applicant(s) will then submit all applicable materials to the Planning Department at their convenience.

2. Application Meeting

The Planning Director will contact the applicant again to review the submitted application within one week after all materials have been submitted if the application is incomplete. The Planning Director will review applicable regulations in regards to the type of application. Once the application is complete the 150 day clock will begin which is the maximum amount of time the County has by law to process the application.

3. Consideration by Planning Commission

Public notices are published in the Burns-Times Herald and sent to adjacent property owners. The application will then go before the Harney County Planning Commission in an Open Record Public Hearing (*unless* the application is for a Property Line Adjustment, Farm Dwelling, or other Land Use Action requiring Administrative Review which is heard by the Planning Director). Public comment is received and recommendations are made to the decision making body.

4. Decision Making Body Approval or Denial

The decision-making body (Planning Commission or County Court) takes the recommendation and either approves or denies the application. The County Court may, if the action is legislative in nature, send the application back to the Planning Commission for further review.

5. Provision for an Appeal

An appeal is provided for if the applicant/person with standing desires to challenge a decision of the decision-making body. The County Court or Planning Commission may hear the first level appeal.

6. First and Second Level Appeals

An appeal process is provided and is heard by a legislative body - either: the Harney County Court, LUBA or the Oregon State Court of Appeals.
