

****1978 WELCOME****

The Fair Board recognizes the vast contribution you, the exhibitors, make to the success of the Fair.....the 4H, Open Class, Public Service, and commercial.

This year we present to you a redesigned "Premium Book", that we feel will be more readable and easier for our exhibitors to use.

Entry forms are available at the Home Extension Office in the Court House. We suggest that you pick up your forms and fill them out before Fair Time to help facilitate speedy processing of them.

We wish to express our sincere appreciation for your participation. Have fun at the Fair!
