*Welcome to the 1985 HARNEY COUNTY FAIR, RODEO,  
and RACE MEET. It is the time for 4H, Cowboys and  
Cowgirls, Racehorses, and all to get together again.*

*We have finished the construction, and completion of  
our new Community Building. During the Fair it will again  
house Open Class Exhibits. During the rest of the year, it  
will be available for Community activities. It can be used  
for meetings, organizational activities, dances, banquets,  
etc. Let's all pull together and utilize our new facility.*

*The 1985 Grand Marshall has not been selected at the  
time of this letter, but will be published in the local paper  
at a later date. We are always pleased to honor a Harney  
County resident in this way.*

*We invite you one and all, to enter Exhibits at our  
local Fair. It is due to your participation and the support  
of the volunteer workers that make our Fair such a success.*

*Our Rodeo will remain the same as previous years. We  
will again have the 3 Day Rodeo, with the Harney County  
Stock Horse Futurity early on Friday morning, with final  
classes shown during the afternoon shows. We anticipate  
another fabulous Race Meet with lots of horses to wager on  
and enjoy.*
