

## Welcome to the 1986 Harney County Fair, Rodeo, and Race Meet!!

With our new theme: "From Pioneer Days to Modern Ways" let's all get together and have a great time, meet old friends and make new ones. Our thanks to Mary Purdy for the new theme.

We are proud to announce the 1986 Grand Marshall, "C.W. Buck Clemens" and honor him in our premium book. Buck is a life time Harney County rancher and avid supporter of the Harney County Fair, Rodeo, and Race Meet.

Please note the changes in this year's Premium Book, be it Open Class or 4H Exhibits, or the Stockhorse Futurity. If you have any questions, please call the department superintendent. Their names and phone numbers are listed respectfully in the book. Both Open Class and 4H exhibits entry dates are one day earlier. By judging earlier, we can open the exhibit areas to the public early on Friday morning. Please help us make this possible.

4H days start on Tuesday with the Horse show and will continue all week.

The Stockhorse Futurity will be held Thursday, beginning at 9:00 am.

Rodeo performances remain the same, Friday, Saturday, and Sunday, with Racing, and the Pari-Mutual Wagering on Saturday and Sunday.

Come and join in the celebration. Exhibits, Parades, Gospel Concert, 4H Sale, Rodeo, Race Meet, Carnival and various concessions. Don't miss the Stockhorse Futurity, the Queen's Court Contest, and Ladies Branding.

The Lions Booth will again be open for your convenience beginning 6:00am Tuesday morning until the closing of the Fair.

Mildred Fine, President  
1986 Fair Association
