Welcome to the 1991 Harney County Fair, Rodeo, and Racemeet. This year is the 67th issue of the biggest event in Harney County....Mark your calendar for September 3-8 and invite your friends and family to the Hi-Desert country for a weekend of fun.

This year's Fair will have many of your favorite spectator events again...Among the crowd pleasing things to watch are:...Horse Racing,...Women's Calf Branding,...the Rodeo, the Stockhorse Futurity, Livestock Shows, and many, many more events!!

The meaning of a Fair is participation...Everyone in Harney County should become involved. Ways that you can participate are: 4H Exhibits..the Parade..Open Class Exhibits, Open Class Horse Show.....the Dog Show.....the Harney County Gospel Concert.....Food Stands, Booths, and much, much more!!

Please give me your attention here. The Fair will only be as good as the people will make it. Show your talents by exhibiting those fine hand made hobby items, be proud of the fine produce, or flowers that you have grown, or volunteer your services. The Fair needs you!!

The 1991 Fair Theme is: "BLUE JEANS 'N' COUNTRY DREAMS". I hope that everyone will join together once again, to make this yearly event bigger and better than it has ever been!!

A sad note to the planning of the 1991 Fair was the loss of Helen Landers, a very dear and dedicated Fair Friend. I hope that we can all work a little harder and put on the best Fair ever in remembrance of Helen.

**In closing, please come on out to the Fair! Eat some food, enjoy the events, visit your friends, and stay all day!! You will be glad you did and we will be glad to see you!**

**Don Slone, President  
Harney County Fair Board**
