

****MANAGER'S WELCOME MESSAGE****

*Welcome to the "68th Harney County Fair, Rodeo, and Racemeet"Harney County's biggest annual event will begin on **September 8th**, and run through the **13th**. Mark your calender, invite your mother-in-law to town, and have a grand time in the Hi-Desert country.*

*The theme for the 1992 Fair will be a very fun one to work with for all busines- ses, community clubs, and everyone else who desires to have a float in the parade, or a booth at the Fair. So, put on your thinking caps, and begin decoration plans for the theme of "**PIG TAILS 'N' COUNTRY TRAILS**".*

Please begin planning to become involved in the Fair in some way. Show off your hand made hobby items, bring in that monstor potato you have grown, or whip up your favorite recipe and bring a sample to the Fair. There are many remarkably tal- ented people in this county. Please come and show your talents!!

There is a lot of tradition in Harney County. The Harney County Fair, Rodeo, and Racemeet gets bigger and better every year. We have to live up to this tradition, and the help of all businesses, community clubs, and all families are needed to ensure that the 1992 Fair is the best of them all!!

We in Harney County are truely blessed with the amount of energy that every- one gives to make an event work. The Fair Board wishes to thank everyone that lends a helping hand in making the Fair a huge success!! Thank you one and all!

Come on out to the Fair! Partake of some food and beverage, visit your friends, enjoy the events, and stay all day!!

SEE YOU ALL THERE!
